## OPPOSES PRIVATE OWNERSHIP

FAVORS PLUMB PLAN FOR OPERATION OF RAILROADS.

Indianapolis Attorney Gave Address Before Railroad Employees.

Considerable light was thrown upon the much-discussed Plumb plan for the operation of the railroads, at the School auditorium last week Friday night when Mr. Morton L. Clawson, a labor attorney of Indianapolis, Ind., discussed the plan before a crowd of railroad employees and other citizens that completely filled the large room.

The fore part of Mr. Clawson's address was devoted largely to the arraignment of the large newspapers and magazines of the country, claiming that they favored the large interests because of the fact that the larger part of their patronage came from those sources.

The speaker was particularly bitter toward the capitalists and large owners, claiming that they had accumulated vast fortunes thru the sweat and labor of the working classes.

He believed that the public utilities should be owned and operated by the government, just as are our highways, our police forces, fire departments, etc., all operated for the general convenience of the public. An inference was given that some of the things done by the railroads under private ownership were more for effect than they were for actual service or benefit.

This was particularly true in the "safety" work. The efforts in this direction, the speaker stated, "were a joke," and intimated that they fell far short of protecting the lives of the employees and the public.

The Plumb plan, Mr. Clawson stated, would cure all these troubles and work for the general good of all. He gave a brief outline of the principles of the plan as it now stands, ready for passage by Congress. The general plan of the bill has been touched upon by the Avalanche in a previous issue and hardly needs reviewing again at this time, except possibly to say that under the Plumb plan all the railroads will be taken over by the government and paid for either in cash or in 4 per cent. bonds, at the option of the owners. The roads will be administered by a commission of 15 men, five of

whom are to be appointed by the president, five chosen from among the operators and five from among the employees. This body will have full power to conduct the affairs of the roads as their wisdom may direct, and cover all phases of the business, including all working regulations, wages, etc. Half the profits will be divided among the employees and half will go to the government. This is one of the points that is contested in Congress, some opposing the payment of half the profits, together with their wages, to the employees, numbering about two and a half millions, while the other half is to be paid to the government, naturally accruing to the remainder of the populace or about a hundred million people. This, Mr. Clawson claimed, was just and right, and that the men that earned the money were entitled to share largest in the profits earned.

There were several other features of the Plumb plan that the speaker did not mention, such as keeping the profits down to 4 per cent. and when larger than that amount that the passenger and freight rates were to be reduced. Also that should there be a deficit in the receipts at the end of the year that the commission should be dissolved. All together the speaker gave a most masterful address and at times was loudly applauded for some of his statements.

W. B. Jamison, chairman of the meeting, had requested W. F. Johnston of Roscommon, to preside, and the latter opened the meeting with appropriate remarks. Invocation was given by Rev. C. E. Doty. During the evening Pat's orchestra rendered several selections much to the pleasure of those present.

U. S. MILITARY ACADEMY APPOINTMENT.

The 10th Congressional district is entitled to the appointment of one cadet for the U. S. Military Academy at West Point to fill vacancy occurring June, 1920.

A preliminary examination will be conducted by the Civil Service Commission at various points in Michigan on January 10th. Final examination for entrance to the Academy will be held February 17th and will be open to eligibles certified by the Civil Service Commission from January examination. The equivalent of a high school education is required. Full information can be obtained by addressing me.

## NOTES OF THE GRAYLING SCHOOL

Edited by X, Y, & Z.

Oh, how hard it is to die and not be able to leave the world any better for one's little life in it!

—Abraham Lincoln.

The Freshmen, gave a Halloween party Tuesday evening, all appeared in costume. The guests remained masked for half an hour, then all unmasked. There were many clever costumes, and the old Gym certainly was a festive place. Delightful refreshments were served, and all had an enjoyable time.

The Freshmen were all excitement Monday morning; their class flag was up. On account of a question, which arose as to whether it was legal to have that flag appearing with an American flag above it, the Sophomores decided to leave the flag until it was decided. They had been told by a member of the faculty that this was wrong, and it would have been there had there been no understanding between Mr. Otterbein and the Freshman class. On account of the delapidated condition of the School flag, the Freshmen were given permission to fly their flag alone. However at noon the Freshmen proceeded to put the American flag above theirs. As soon as "Old Glory" flew above the flag, up went the Sophomores. Eugene Karpus, president of the Sophs, climbed to the top of the pole, tore the Freshies beloved flag from the chain, and threw it to the many hands eager to catch it. The struggle was a long one, the Sophs got half of the flag, but the biggest part of it was gotten back by the Freshmen. Instead of keeping what they did have of the flag whole, the Freshmen tore it in shreds, dividing it among the members of the class. Nevertheless the Sophs each have a piece of the flag that they had fought to tear down.

The fifteen students, who had the highest standings for September met in Room 34 last Tuesday at 3:30 o'clock, to organize the Grayling High School Debating society. Percy Failing was elected temporary chairman and Margaret Insley, temporary secretary. A committee to draw up the constitution was appointed. The second meeting was held Tuesday afternoon at 3:30. The constitution was presented by the committee, discussed, and adopted. The meetings of the Society will be held the second and fourth Wednesday of every School month.

The following program was given in honor of Theodore Roosevelt in the Assembly room, Monday afternoon: T. R. Poem.....Vella Herman; Life of Roosevelt.....Archie Cripp; Roosevelt's Creed, Lawrence Lariv; Theodore Roosevelt poem, Fern Hu; Resolutions of Boy Scouts.

WEAR YOUR BUTTON.

"Wear your button" is the urgent word from National Headquarters of American Red Cross, calling every citizen to join during the Third Roll Call, November 2nd to 11th, and to display the Red Cross emblem conspicuously.

"The Badge of Americanism" this year consists of a neat little celluloid button of white, bearing in its center a Red Cross beneath which are the figures "1920" in blue.

"It should be a distinct source of pride to every American to wear this button which represents so much to suffering humanity the world over," the statement adds. "Keep it in view throughout the Roll Call for it will save you from embarrassment during the last two days, when every citizen not wearing a Red Cross button will be solicited to join.

## WHAT OUR RED CROSS IS DOING

BRIEF SUMMARY OF WORK DONE BY COUNTY CHAPTER.

As a year has nearly passed since the last campaign for members to the Red Cross, and a campaign for renewal of memberships is to begin November 2, we feel that it is our duty to inform the people of some of the achievements of the Chapter during the period just closing.

Early in the fiscal year the Chapter was put to a test that would have swamped most organizations, when the first epidemic of influenza appeared. Mrs. S. N. Insley was at the head of the nursing committee and offered the services of that committee, which were gladly accepted. Good work was done and no doubt a few lives were saved due partly to the care afforded by the nurses. The local Red Cross Chapter desired to assist and offered to pay half the salaries of the nurses. This was done.

Later another epidemic broke out and the Red Cross was again appealed to for aid. An emergency hospital was provided by the Village of Grayling and placed in charge of the Red Cross nursing committee. Here again the Chapter did wonderful service and some of the nurses active in the work of caring for the ill claim that no less than fifty lives of persons were saved that would have died without the proper care that the committee was able to give them at that time.

Ninety-six patients were cared for at the emergency hospital, averaging about 8 1/2 days each and a total of 797 days. Besides these almost every home in the city and many in the country had cases of influenza and 186 patients received individual attention. All together there were 446 patients that had influenza during that epidemic.

The efficiency of Mrs. Insley as an organizer was recognized beyond the borders of Crawford county and she was appointed a member of the State Red Cross nursing service and given charge of the nursing service in four counties—Crawford, Kalkaska, Roscommon, and Missaukee. This service furnished Grayling nurses for the following places: Sandusky, Indian River, Boyne City, Wolverine, Johannisburg, Kalkaska, Roscommon, Bay City, Houghton Lake and West Branch. In Sandusky and Boyne City Grayling nurses opened hospitals and planned their operation; and in other places complete organizations were formed for caring for the ill.

The war days when help was needed everywhere and lives were in danger of being snuffed out. Some say that the nurses received pay for their work, which is true. They should be paid just as any one doing service. However the work was hazardous and depriving, besides most of the nurses did not have to do that work for a living—it was a work of mercy and when understood was sincerely appreciated. However Crawford County Chapter again offered to pay half the nurses' salaries. This they did and we believe that everyone coming under their care received full credit for that portion of the expense.

During those weeks the local Chapter paid out in the interest of caring for the sick at home the sum of \$1495.75.

Now Working Under Health Program.

At the present time the Red Cross is devoting its efforts towards health. In Crawford county we are fortunate in having a trained public health nurse, who devotes her time in the interest of the general health of the community. Much of her time is spent in the schools. She has already visited nearly every school in the county and will as often as possible visit them again. Many times the nurse has personally visited the homes in the interest of some of the little tots, and has counseled with the parents in their behalf. She also has frequently gone to homes where there has been sickness and when help was needed and has personally given the patient care and attention.

This work is in charge of Miss Lois Larive, of Grayling, who is not only a graduate nurse but in addition has graduated from a special course of public health nursing at Ann Arbor, with several weeks work directly under supervision of the Detroit Public health nursing service. She in turn is under direction of the Red Cross nursing committee, of which Mrs. L. J. Kraus is the chairman. The local Chapter is paying her salary and expenses.

The local Chapter tackled a big job and made good on it. In spite of all this there are some in the county who talk scandalously about the Chapter, and say that they will not renew their membership again this year. Well, all we have to say is that anyone who cannot see the value and merit in the work done by the Chapter in this county had better keep their little old dollar for membership, for unless the heart can accompany the application for membership the dollar paid would be in the wrong society.

Fortunately those sharing such sentiments are in the very small minority. There are many active in the affairs of the chapter that spend much of their valuable time and do much work for the good of the Red Cross and not one of these receive one cent for what they do. Their pay comes from the satisfaction of being able to do some good in this world. They will also renew their membership and pay in their dollar willingly and continue in the good work. If those who are finding fault and throwing slurs would do a little investigating and learn the true conditions instead of listening to some complaint that may be unfounded and many times magnified, they would feel differently about the matter just as others have who, instead of condemning, first found out the facts,

and then they felt differently. Crawford county has a membership of 1054. There should be as large a membership this year, but let it come from persons whose hearts are in the work. It costs \$1.00 to renew; one half of this amount will remain with the local chapter and the balance goes to the National chapter. The future activity of the Chapter will be largely determined by the result of the membership campaign November 2-11.

GAYLORD NEWSPAPERS CONSOLIDATE.

Otsego Advance Purchases Interests of Herald-Times.

Several attempts have been made in Gaylord to support two newspapers and has always resulted in the final consolidation of the plants and interests. For nearly eight years past the Herald-Times and the Advance have held the reigns in that county but last Tuesday saw their consolidation, Glenn H. Miner, editor and owner of the Herald-Times, turned over his plant to F. H. Wilson and son Glenn to be consolidated with the Advance, and the consolidated papers will take the name of Otsego County Herald & Times.

In the last issue of the Advance the announcement of the deal is made as follows:

"This week Tuesday F. H. Wilson & Son purchased the Otsego County Herald-Times of Glenn H. Miner and will next week consolidate it with the Otsego County Advance. The consolidated papers will take the name of Otsego County Herald & Times."

This will make the Otsego county newspaper one of the best equipped newspaper and job printing plants in North Michigan. The management will use every effort to take care of the business in the best possible way. We ask each and every one, when you have any criticisms to make, to come to us and make them, we want to hear them, for they will be a help to us. We are here to serve you and want you to feel that we are ready to help in every way that we can anything for the betterment of Otsego county and its citizens."

Mr. Miner, who has retired from the business was an able and experienced publisher and conducted a good newspaper. He has been a strong factor in the progress and promotion of the affairs of Gaylord and Otsego county. He has done good work for the good of his community and Gaylord will lose in him one of its most able business men.

As much may be said of Messrs Wilson. Both are experienced printers and the senior member a successful newspaper man. According to the statement of Mr. Miner there was no room for two newspapers in that county and ultimately either one or the other must cease. The latter says that he has not determined just what he will do in the future and that his plans are indefinite.

We would be sorry to lose either Mr. Miner or Mr. Wilson from the newspaper circles of the Northern Michigan region, but we feel certain that the people of Otsego county will appreciate the fact that there will now be but one newspaper to pay subscriptions to and the business men may now reach the buying public thru the columns of one paper, where before it was necessary to advertise in both.

The Avalanche is pleased to extend best wishes to the present publishers, F. H. Wilson & Son, and also trust that Mr. Miner will ultimately establish himself where affairs may be just as congenial as they have been in Gaylord and that his splendid citizenship will be as much appreciated as they have been in Otsego county.

### LOST BAGGAGE OF AMERICAN EXPEDITIONARY FORCES.

There are at present approximately 150,000 pieces of lost baggage belonging to members of the A. E. F. on the Government docks at Hoboken, N. J. made up of 20,000 trunk lockers, 15,000 bed-rolls, 5,000 suitcases, and 110,000 baggage bags which have come from overseas and remain unclaimed by their owners.

Much of this baggage is marked with names only and cannot be forwarded to the owners. In all cases a new shipping address is required. All owners of lost baggage should forward their claims and present addresses to the Lost Baggage Branch, Pier No. 2, Hoboken, New Jersey, with an accurate description of the missing property.

A complete card index permits prompt identification and the baggage will be forwarded by express at Government expense if on hand at Hoboken. The Red Cross desires to assist each man from overseas to recover his lost property, as well as to help the Government to dispose of this enormous accumulation. It is, therefore, important that the greatest possible publicity be given to the above facts by your chapter through the local press and such other means as suggest themselves to the Chapter Executive committee.

Yours very truly,  
Edward K. Hardy,  
Manager, Central Division,  
Department of Development.

### ELDORADO NUGGETS.

We are pleased to announce the marriage of Miss Louise Kreuzer to Burton Williams, both of this place. The wedding took place Saturday, Oct. 25th, in Grayling, the ceremony performed by Rev. C. E. Doty. Saturday evening the bride's parents, Mr. and Mrs. Julius Kreuzer, entertained about forty friends and neighbors. The evening was spent with music and games, and at midnight a fine wedding supper was served. The young folks are both well and favorably known in both Crawford and Roscommon Counties and their many friends join in wishing them the best that life can hold for them.

Guests from away were Mr. and Mrs. Fred Huff of Roscommon county and Mrs. Augusta Smith of Grayling. Fred Lamm, Jr. and Miss Alice Marsh of Roscommon spent Sunday with Mr. Lamm's sisters, Mrs. Conrad Wehnes and Miss Bessie Lamm.

Wellman Knight has a Ford auto he purchased in Grayling last week. Mr. and Mrs. Edward Warner of Benton Harbor have been spending the week with Mrs. Warner's mother, Mrs. J. H. Hartman of this place, and her sister, Mrs. George Basing of Luzerne. Miss Elizabeth Weber left Tuesday for Sandusky where she will spend some time with her sister Mrs. George Jones. Mrs. Alba Richardson began school in the Royce district last week.

By hearing him you will get the stories first hand and you will spend an evening there that will be well worth your time. Don't forget—next Wednesday, November 6. Please tell your friends. Meeting at 7:30 o'clock p. m.

### BRINGING UP FATHER.

This is a more serious task than at first thought. We have always had much to say about bringing up children but the task is here today of taking hold of father and attempting to do something. Like father like son. The sons will be what the fathers are every time. Father needs a real heartfelt religion these days if ever in the history of the world. Where is this to be found if not in the christian churches?

There may be many things that we have not at the Michelson Memorial M. E. Church, but there is one thing that we try to put first—the Gospel of Christ as the saving power of this world. We believe in conversion, the going on unto perfection. Come next Sunday and all the Sundays and get the spirit of the church.

The pastor, C. E. Doty will preach next Sunday morning and evening. The morning hour is ten-thirty and the evening hour is seven. Sunday School meets at eleven forty-five. Fine classes for all ages and a growing school.

The Ladies' Aid society meets next week and all should put that down in the note book. Watch for announcements.

## JOHNSON TREATY CHANGE BEATEN

SENATE DEFEATS AMENDMENT TO MAKE VOTING POWER OF U. S. AND BRITAIN EQUAL.

### DOWNED BY TWO VOTE MARGIN

Defeated Senator Introduces Another Amendment Aimed At Same Clause in Treaty.

Washington.—The Johnson amendment to the peace treaty, designed to equalize American and British voting strength in the League of Nations was rejected in the senate Monday by a vote of 38 to 40.

On the roll call, which came unexpectedly during a lull in the debate, two Democrats joined the Republicans supporting the amendment and nine Republicans voted with the Democrats against it. Of 18 senators absent or paired, four Republicans and two Democrats were recorded as favoring it and 12 Democrats as opposing it.

Immediately after the defeat of the amendment, Senator Johnson introduced a second amendment which seeks to accomplish the same object as his first one.

### FRITCH JAILED IN BRIBE CASE

Panel Dismissed As Judge Hears \$50 Was Offered to Sway Verdict.

Detroit.—Suspensions of the prosecuting attorney's office that attempts were being made to bribe prospective jurors in the case of Dr. George A. Fritch, convicted of manslaughter and facing a second trial on a charge of performing an illegal operation, came to a head last Monday, when four arrests were made.

Dr. Fritch, his brother, William Wallace Fritch, and George Selleck, 117 Henry street, were taken into custody on a charge of attempted bribery. Benjamin Holzman, 125 Division street, a juror who had been questioned and was still sitting in the jury box, was held on suspicion of perjury.

Four members of the two special panels, whose names are withheld, are said to have told a story implicating Selleck as the man who approached them and offered bribes ranging from \$50 to \$75. Selleck, the prosecutor's office says, has admitted he was formerly employed by Dr. Fritch.

### WASHINGTON GREET'S ROYALTY

General Pershing and March Among Those Who Joined in Welcome.

Washington.—King Albert, Queen Elizabeth and Prince Leopold of Belgium arrived in Washington Monday for a three-day visit with officials of the nation's capital. The royal party received an enthusiastic welcome at the station where it was met by Vice-President Marshall and other high government officials.

Generals Pershing and March were among those who joined in the welcome, the former accompanying the party here from Philadelphia. Thousands crowded every vantage space around the station and the plaza through which the royal party had to pass.

After the king, queen and duke of Brabant were formally presented to welcoming officials, including all members of the cabinet, they reviewed a pageant arranged for them, in which school children and war workers in costume, waving flags and singing, participated.

### DRY BILL PASSED OVER VETO

Congress Keeps Wartime Measure Law, Overriding President.

Washington.—President Wilson unexpectedly vetoed the prohibition enforcement bill Monday and within three hours the House had replaced it over his veto by a vote of 178 to 55. The total vote was barely more than a majority of the entire membership.

Dry leaders in the senate immediately began laying plans to repass the bill there.

The president refused to sign the bill because it included the enforcement of wartime prohibition.

The objects of wartime prohibition, the president said in his veto, had been satisfied, and "sound public policy makes clear the reason and necessity for its repeal." It held, for congress to deal separately with the two issues.

### A Traveling Man's Experience.

You may learn something from the following by W. H. Ireland, a traveling salesman of Louisville, Ky. "In the summer of 1888 I had a severe attack of cholera morbus. I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic and Diarrhoea remedy and to take no substitute. An Agreeable Surprise. "About three years ago when I was suffering from a severe cold on my lungs and coughed most of the time night and day, I tried a bottle of Chamberlain's Cough Remedy and was surprised at the promptness with which it gave me relief," writes Mrs. James Brown, Clark Mills, N. Y. Many another has been surprised and pleased with the prompt relief afforded by this remedy. Adv.

GRAYLING, THURSDAY, OCT. 30.

Third Red Cross Roll Call, Nov. 2-11.

Don't forget! Giggling Circus! Nov. 7. School gymnasium.

Mrs. John Charlefour spent a couple of days in Wolverine the latter part of the week.

Messrs Cook and Charlefour visited friends in Vanderbilt last Thursday and Friday.

Friendship difficult to obtain is frequently the most lasting. That which comes easily goes quickly.

Mrs. W. J. Graham of Bay City arrived Tuesday to spend a few days visiting her son William Graham and family.

Mrs. J. A. Holliday is entertaining Miss Ella Stock of Saginaw this week. Miss Stock was a former pupil of Mrs. Holliday.

Harold McNeven, Joe Giltner, Harry Cook and Lionel LaGrow motored to Roscommon Sunday and spent the day with friends.

Harry Vizina of Afton, Mich.; was the guest over Sunday of his cousin, Henry Trudo. He returned home Tuesday.

Jack Vaughn of Bay City was a guest of Miss Celia Sivra at the home of her parents, Mr. and Mrs. Simon Sivra, over last Sunday.

Ruth Brenner returned Tuesday morning from Saginaw, where she had gone a couple of days previous to attend the wedding of a relative.

Adler Jorgenson left for Detroit last Saturday to spend a few days, the guest of his son Benton, the latter who is selling real estate in that city.

Having in mind the old fashioned red ones, grandmother is shocked to read that certain young men have appeared at a society function in flannels.

Mr. and Mrs. J. E. Crowley have moved from the house on the corner of Benton and Pine streets to the Elliott cottage on Bailey street—Cheboygan Democrat.

Ebenezer Simpson came up from Detroit Saturday morning to visit his wife and baby over Sunday. He was accompanied by his brother, Andrew, and together they drove the former's auto back to Detroit Monday.

Mr. and Mrs. Einar Rasmussen and the latter's brother Edward Gierke left Thursday afternoon for Montpelier, Ohio, to attend the funeral of a cousin, Miss Ella Lamont, daughter of Mr. and Mrs. William Lamont, of that city.

Miss Vera Cameron has resigned her position at the Postoffice and leaves Friday of this week for Bay City to teach in the public schools of that place. Her position at the Postoffice is being filled by Miss Nina Petersen.

Arthur McArthur of Ann Arbor, who had been quite ill, and confined to a hospital in Pontiac, is here visiting at the home of his wife's parents, Mr. and Mrs. Charles J. Schreck. He came to Grayling to try to recuperate his health.

Mrs. H. Petersen, accompanied by her daughters, Mrs. James Olson and Mrs. Earl Dawson and their families went to Johannesburg last Friday for a few days' visit at the Andrew Larson home in Johannesburg. Mr. Petersen motored up after them Monday.

Mrs. Adolph Peterson accompanied her mother Mrs. William Brownell to her home in Riverview Monday. Mrs. Brownell had been in Grayling for several weeks, part of the time at Mercy hospital and part of the time at the home of her daughter, recovering from a broken limb.

The West Branch Herald-Times in its issue of last week announced the marriage, on Saturday, October 11 of Mr. Gus Hobohm and Miss Marguerite Carroll, both popular young people of that city. Mr. Hobohm at one time clerked in the Max Landsberg store and became quite well known to many here.

Mr. and Mrs. Frank M. Freeland returned last week from a couple of weeks' visit in several southern cities including Detroit, Royal Oak and Pontiac. At Royal Oak they visited two daughters of Mrs. Freeland, and at Pontiac a couple of sisters of Mrs. Freeland. They made the trip in their auto, and report a pleasant time.

Word have been received of the death on October 3rd of Mrs. Lee Winslow, of Ellensburg, Washington, formerly of Grayling. Mr. Winslow passed away about a year ago in Ellensburg also. The Winslow family are well known in Grayling, where they had resided for many years previous to moving to the west. Four children survive the deceased. Mrs. Winslow acted as librarian at the local public library for many years and was very active in church circles here.

It was announced in the last issue of the Avalanche that The Hat Shop would be closed Saturday, Nov. 1, on account of the absence of Miss Walker. Instead Miss Walker visited the wholesale departments first of the week and thus the place will be open as usual Saturday.

Prof. J. L. Brumm of the Oratory College, University of Michigan, will speak in the High School auditorium, Monday evening, November 3rd, at eight o'clock. This lecture is a part of the program prepared by the Woman's Club for Reciprocity Day. The Club cordially invites everyone, except children under fifteen to come to hear this speaker. The subject of the address is "Education and Life." No one should fail to attend.

Most of the local teachers are in Detroit attending the annual convention of the Michigan State Teachers' Association and Institute, that is being held in that city today and tomorrow. This is the sixty-six annual meeting of the association. In many of the grades school closed at noon yesterday, to enable those of the teachers who wished to go, to leave on the afternoon train to be in Detroit in due time for the opening session this morning.

Miss Carrie Jorgenson expects to leave today for Bay City, at which place she will meet Miss Christine Peterson and little Herbert Williams and accompany them as far as Chicago. Miss Peterson has been at Detroit, Mich., for some time while the little Williams boy has been undergoing treatments, and is now taking him to the home of his parents, Mr. and Mrs. John R. Williams in St. Louis, Missouri. Miss Jorgenson before her return home will spend some time visiting her brother and wife Mr. and Mrs. Frank Jorgenson at Neillsville, Wis. Mrs. Frank Jorgenson will be remembered as Miss Amy Irving, a former teacher in our schools.

The Mackinac Transportation company, operating the car ferries on the Straits of Mackinac state that they have handled more freight across on their boats in the last six months than any other period of the same time. This statement means that the Grayling railroad yards have experienced a greater movement of trains than ever before. At present this is the condition all over the country, and the only obstacle in the way of doing more business is the lack of cars. It is interesting to know that the Railroad Administration is getting some of the money back which they claimed to have lost during their first year of business.

Fire did considerable damage to the fine home of Mrs. A. Kraus Monday night at about 11:30 o'clock, burning out completely the whole second story. There is little doubt but that it caught fire from an electric wire.

Shortly before the fire was discovered it was noticed that a wire was down on the ground across the street from the Kraus home and it is supposed that this had come in contact with the line running into the house. Mrs. Kraus and daughter Miss Augusta had just returned home from a visit in Saginaw, Lansing and other places and were sleeping in a down-stair chamber. The former was aroused by sounds of things falling and investigation revealed that the whole up-stairs was ablaze. Miss Kraus notified the telephone operator and an alarm was sounded almost instantly. Help soon arrived and most of the down-stairs household goods were carried out. When the department arrived the flames were breaking through the roof at almost every point and it surely looked as though the entire building would burn. The firemen worked with the utmost calmness and with most excellent judgment and system, and within a half hour had the fire practically out. It was a fine piece of work and the department is deserving of the highest praise. Chief Wm. Duclos was ill at home but the men showed results of good training. The upper part of the home is a complete loss and much damage was done to the downstairs part. This was one of the best finished homes in the city. The house and contents were insured for \$5,000.

## Save the Babies

**INFANT MORTALITY** is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent., or nearly one-quarter, die before they reach one year; thirty-seven per cent., or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save many of these infantile deaths. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic preparations. Drops, tinctures and soothing syrups sold for children's complaints contain more or less opium or morphine. They are, in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. There can be no danger in the use of Castoria if it bears the signature of Chas. H. Fletcher as it contains no opiates or narcotics of any kind.

Genuine Castoria always bears the signature of *Chas. H. Fletcher*.

**IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS**

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to the kidneys. The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim. Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gait stony, gravel, rheumatism, sciatica and lumbago. All these derangements are nature's signals that the kidneys need help. You should use GOLD MEDAL Haaslem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Go to your druggist today and get a box of GOLD MEDAL Haaslem Oil Capsules. In twenty-four hours you should feel health and vigor returning. After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition and ward off the danger of other attacks. For the original imported GOLD MEDAL brand, Three Star Money refunded if they do not help you.

**CATTAILS HAVE FOOD VALUE**  
Investigation Has Shown Them to Contain a Satisfactory Amount of Needed Protein.

Flour from the cattails of the swamps has been found by the plant chemical laboratory at Washington to contain about the same amount of protein as rice and corn flours, with somewhat less fat than wheat flour, and it was regarded as a promising substitute with wheat flour to the extent of 10 to 20 per cent. In the investigation, of which he has given an account in the Scientific Monthly, Prof. P. W. Claassen tried the flour in several ways, both as part substitute with wheat flour in baking and as cornstarch substitute for puddings. Results containing 50 and even 100 per cent of this flour proved to be palatable, not very different from those of wheat flour alone, while the puddings had an agreeable flavor and were satisfactory. The flour material is obtained from the large underground rootstalks or rhizomes, of which it forms a starch core three-eighths to one-half inch in diameter. The dried rhizomes from an acre of cattails were shown to equal 10,732 pounds and the core substance, passed through a meat grinder and sifted, yielded fine flour at the rate of 5,500 pounds per acre. Many thousands of acres of cattail marshes are included in the 138,835 square miles of swamp land of the United States.

## Michigan News Tersely Told

**Sparta—Russell Broman, 13,** was badly hurt when a gun in the hands of a companion was accidentally discharged.

**Mt. Clemens—The cellar of Gus Shuneman has been robbed twice** in three weeks. The first time the robbers escaped with 45 gallons of wine. This time they stole more.

**Wayne—An auction sale of shell making machinery has taken place** at the Harroun plant, and the corporation is preparing to swing into quantity production of motor cars.

**Camp Custer—Lieut. Col. A. M. Pardee, camp executive, says that** the civilian pay roll of Custer has decreased 50 per cent since July 1. Civilian help is being reduced to the lowest possible number.

**Mrs. Millard Rollins, French bride** of a former Albion soldier, and Mrs. Mildred Scherer were seriously injured when an automobile owned and driven by Clarence Neil turned turtle with five occupants north of Albion.

**Mt. Clemens—Milan Howard, 65,** a Macomb township farmer, committed suicide. He shot himself with a high powered rifle, partly blowing off his head. Despondency over illness is believed to have been the cause.

**Dearborn—Burglars visited the coal and lumber office of Ternes & Guinan Supply company, securing about \$500** in cash and Liberty bonds from the safe. Entrance was made in the rear. The safe was opened by working the combination.

**Flint—James J. Crews, 37, switchman,** was instantly killed in the Pere Marquette yards when he stepped out from behind his own train to signal the engineer and was run down by a string of locomotives being moved from roundhouse.

**Pontiac—William Grot, of Detroit,** pleaded guilty to fraud in drawing \$840 from the Pontiac Savings bank by using the passbook of a friend, also of Detroit, and forging a withdrawal check. He was sentenced by Judge Rockwell to spend from 3 to 14 years in Jackson prison.

**Muskegon—The sandpucker L. L. Barth** was near sinking in Lake Michigan when it was rammed by a log which became fastened in the propeller. The boat filled with water. Its load of sand, being taken to the Continental Motors Corporation property, was dropped overboard.

**Grand Rapids—Kent County supervisors** have voted to bond Kent County for \$175,000, for the erection of a new juvenile home to take the place of the one destroyed two years ago, in which five children were burned to death. The issue will be submitted to the voters at the spring election.

**Hillsdale—Hillsdale County supervisors** re-elected Henry Fink, of Cambria, superintendent of the poor, for two years. Under the recently adopted county road system, Frank C. Carpenter, of Woodbridge; Cos Emons, of Wright, and Lewis Rainey, of Scipio, were named road commissioners.

**Detroit—The body of a man identified** as Louis E. Aredo, of Chicago, was found in an alley adjacent to the Hotel Tuller. Aredo was registered at the hotel and left a note in his room asking that a Chicago address be notified. He had jumped from a sixth story window. Aredo was about 50 years old.

**Lansing—The high cost of vaccinating** hogs is going to drop or the State Board of Animal Industry will send men to sections where swine are affected with cholera and vaccinate free of charge. The disease has appeared in Washington County and farmers there complain to H. H. Hall, head of the board, that veterinarians are charging extravagant prices for vaccinating.

**Kalamazoo—Marksmen of Scotts,** this county, are already complaining because of their inability to dispose of their stocks of meat. Farmers and townspeople alike are enjoying fried squirrels and squirrel pies, so that sales of beef and pork are dormant. The squirrel season is of short duration, but is followed by the opening of the rabbit season, and those animals are said to be particularly plentiful this year.

**Mackinac City—The steam barge Helen Taylor, owned by Jerry Lynch** of Sault Ste. Marie, was burned to the water's edge in the harbor at Les Cheneaux. The ship with a cargo of ties was en route south making for Petoskey. In making the Les Cheneaux harbor the ship struck a reef. The engineer went forward and during his absence a lantern upset, setting fire to the engine room, which soon became a seething furnace. The boat was insured, but the cargo was not.

**Dearborn—While going to school** the 8-year-old daughter of William Boyer, living on Telegraph road, west of Dearborn, was run down by an automobile and killed. The child, with several companions, stepped to the pavement to avoid a truck going west almost in the path of a car coming east. The driver made a quick turn to avoid striking the children, and as he passed them his machine skidded, the rear wheel striking two of the girls, killing the Boyer girl, and injuring the other. The driver took the little girl to St. Joseph's retreat.

**Lansing—Matthew Finn, an invest-** ment banker of Detroit, was awarded the \$1,500,000 worth of highway bonds by the state highway loan improvement board. He paid a premium of \$28,200 for the bonds, or at the rate of 101.88. These bonds draw four and a half per cent interest, are dated November 1, 1919, due 15 years after date, all issued in the denomination of \$1,000. This is the first issue of bonds placed on the market for the building of state roads since the ratification last April by the people of the constitutional amendment.

**Kalamazoo—Kalamazoo village will** rebuild the plant of the Kalamazoo Handle company, destroyed by fire several weeks ago.

**Ionis—The manner in which hunters** of squirrels over-run farm lands of Ionis county has caused a storm of protest and many complaints of trespassing are heard.

**Cadillac—Wexford County has sold** another of its old jails for \$1,800 and now has only one left and that is the sheriff's residence. Prohibition has made jails white elephants.

**Hillsdale—No mixed dancing is** allowed on Hillsdale College campus this year and young women can not attend commercial dances down town without a letter from a parent or guardian.

**Cadillac—Owen Hudson, 24 years** old, is not expected to recover from shotgun wounds. He drew a gun toward him by the muzzle and received the full charge in his lungs. It was the first hunting accident in Wexford County.

**Jackson—L. D. Swartout, 52 years** old, an employee of the Peninsular Portland Cement Co., of Cemeht City, died at the W. A. Foote Memorial Hospital from injuries received when an 80-foot belt broke at the company's plant, striking him on the head.

**Ludington—Sullivan Sheehan, Grand** Rapids, has been convicted of violation of the Liquor law for selling his arrest June 25 after his traveling bag containing 34 half pints bonded whisky was found at a depot. He was sentenced to 60 days in jail.

**Monroe—Glen Collier, 30, giving** residence in Detroit, entered a plea of not guilty when arraigned on the charge of being implicated in the hold-up near Monroe on the night of Oct. 16, when two Toledo men were robbed of \$1,200 and \$60 respectively.

**Ionis—The fine home of the late** Judge V. H. Smith occupied by Burgess Robinson, manager of the Hayes Ionis Co., was destroyed by fire. The house was owned by Hal H. Smith, Detroit attorney, who was contemplating turning it into a residence.

**Tecumseh—Business men here** have taken alarm at the series of robberies in southern Michigan, and have formed a business men's rifle company. Rifles and munitions are kept within easy reach in several stores and banks have been equipped with burglar alarms.

**Holland—Nelson Hand, 16 years** old, Muskegon, was arrested here charged with stealing a Muskegon automobile and about \$75 in cash checks. Authorities say Hand admits the thefts, claiming that he stole the car to give a girl a ride to Chicago, where she deserted him.

**Battle Creek—Two dollars, or five** days," said Judge Carl Gray of the Municipal Court here, when John A. Wagner, charged with parking his automobile in front of a fire hydrant, appeared before him. The fine was paid. Mr. Wagner, city attorney, drafted the ordinance which he violated.

**Kalamazoo—Ralph Buntaine, prop-**rietor of the Imperial Dry Cleaning establishment, was fined \$15 for illegal storage of gasoline following the near-asphyxiation of Roy Coates, 13, and his 7-year-old brother, Wilder, who were overcome by fumes in a room they had entered to get some parcels.

**Coldwater—Whether a horse sold** by Frank Kubasiak to John Kruska breathed fast because it had been overheated or that was its natural way of breathing, is a question before Circuit Court. Kruska claims the horse is unsound and wants his money back. Kubasiak has had two veterinarians and a dozen farmers on the stand to testify the horse is sound.

**Detroit—H. J. Hartman, was struck** and fatally injured by a speeding automobile at Hamilton and Grand boulevards while he was repairing a tire on his car. He died a short while later in Providence hospital, where he was taken by another motorist. The "death car" disappeared, but a motorist took the license number and police are searching for the driver.

**Muskegon—When the jury in the** trial of Russell Howe, an alleged rioter in the recent Muskegon street car riot, brought in a verdict of not guilty, Assistant Prosecuting Attorney Harry W. Jackson offered a motion that the remaining cases against alleged rioters on the calendar be nolle prossed. He held there was not sufficient evidence. The motion was granted.

**Flint—Fire breaking out in the** warehouse of the Doty-Saulsbury Furniture company, in the heart of Flint's business district, destroyed property to the extent of more than \$100,000. The roof of the five-story warehouse collapsed and doomed the structure to destruction. The Warehouse occupied a quarter of a block. Electric power in the business district was shut off to protect fire fighters, many of whom worked under extreme hazards.

**Grand Rapids—Demand that the** United States assume the mandate in Armenia was made of the sessions of the Congressional National council here. Resolutions were considered in favor of the plan of Senator John Sharp Williams proposed in the United States senate in September providing for the sending of American troops to the Caucasus for the purpose of protecting and saving the Armenian people. It was explained the plan assumes nothing with reference to the Armenian government.

**Pontiac—The merger of Pontiac** Savings Bank and First Commercial Bank approved by directors of a institutions some time ago, has been unanimously approved by the stockholders. This will give Pontiac a million dollar banking institution. Both directorates will be retained and joined in a new board of directors which will elect officers. Building of two branch banks, one in the north and the other in the south end of the city will proceed at once and in the near future an eight-story bank building will be built.

## TOO SHORT TO DO UP AND STILL FALLING

A little "Danderine" stops your hair coming out and doubles its beauty.

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Help your hair to grow strong, thick and long and become soft, glossy and twice as beautiful and abundant.—Adv.

## SIMPLY LEFT IT TO TOM

Mother Shrewdly Reasoned That She Needn't Worry About Time to Give Medicine.

There is a Philadelphia mother who is forgetful and knows it, but who is clever enough to discount this failing, as a rule. Not long ago her small son was rather indisposed, and the doctor ordered a medicine to be given at three-hour intervals.

"Did you give Tom his medicine regularly?" the husband and father asked unhelpfully upon his return home in the evening.

"Didn't miss a time," the mother responded with satisfaction.

"How in the world did you ever think of it?" the man asked.

"I didn't; but it was easy. I just told Tom this morning at what hours he was to take his medicine, and half an hour before each time he began wailing that he didn't want to take it."

## "KILL-JOYS"

Constipation, Headache, Colds, Biliousness ended with "Cascarets"

Nothing takes the joy out of life quicker than a disordered liver or waste-clogged bowels. Don't stay sick, bilious, headache, constipated. Remove the liver and bowel poisons which keep your head dizzy, your tongue coated, your breath bad and stomach sour. Why not spend a few cents for a box of Cascarets and enjoy the nicest, gentlest laxative-cathartic ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh pills. They work while you sleep.—Adv.

**Appalling Accident Record.**  
Approximately 126,000 persons were killed in accidents during the 19 months of America's participation in the war with Germany, and more than 2,000,000 men, women and children were so seriously injured that they lost more than four weeks of time or were permanently maimed, according to C. W. Price, general manager of the National Safety Council.

The casualties from accidents each year are twice as great as were the casualties among American soldiers, sailors and marines during the war.

**To Have a Clear Sweet Skin.**

## COUNTY AGENT'S COLUMN

W. H. Hill, agricultural agent for the Michigan Central railroad, together with the county agent, paid a visit to the farm of Adam Gierke on the outskirts of Grayling, last week, looking up Mr. Gierke's demonstration with Sudan grass with which forage plant he has made a distinct success this season. This part of the United States is not classed by the department of Agriculture as a habitat for the plant, but Mr. Gierke tried some this summer on a piece of Jackpine sand land and a part which he left late enough to grow to a height of seven feet, standing wonderfully well. The majority of it he cut earlier getting an excellent crop.

The Sudan grass is closely related to the sorghums, and is a tall annual, closely resembling the Johnson grass, but has more numerous leaves and fortunately has no cheeping rootstock so it cannot become a pest. For so rank a grass the stems are very fine, being seldom larger than a lead pencil. The hay is equal to or superior to millet and can be fed to all classes of cattle without injury, and the plant is also well suited for silage. It is very drought-resistant and if it can be successfully grown here should be very valuable as a forage plant. As this grass readily crosses with the sorghums and bears seeds closely resembling those of the Johnson grass, great care must be taken in procuring seed from those sections of the country where the Johnson grass is not prevalent. Montana or Idaho grown seed should be procured.

In a feeding test at the Kansas experiment station, heifers wintered on Sudan grass stood well up with alfalfa both in grain per day and cost per hundred pounds.

However as one swallow does not make a summer, so one trial does not demonstrate to a conclusion, and Mr. Gierke is going to try it again next spring. This is a very important matter to the farmers of these counties, and inasmuch as there will be no county agent to carry the news around, they should take pains and watch for their own benefit. If Mr. Gierke demonstrates that Sudan grass will prosper under our conditions he will have gone a long way toward solving the hay question on our lighter lands.

Another practice question at Mr. Gierke's was that of sowing vetch among his corn at the time of making the last cultivation. His corn ground now stands with a fine cover crop of vetch, ready to be turned under next spring.

John Winn, proprietor of the Winn-Wood pure-bred Holstein herd at the South Branch Ranch, has not left his moorings for two years until last week. It took some very impressive stories of up-grading in the Holstein line, on the part of the County Agent to break him loose for a day. However he was seduced from his love-purebreds to go on a visit to the Riley farm south of Houghton Lake to give expert judgment on the efforts in up-grading being carried on there. Mr. Winn was forced to admit that he found one very fine demonstration along that line, and Mr. Lytle, the superintendent, rose in his estimation very much. Of course he gave the latter some very good advice relative to the policy of not stopping at anything but the best, which translated means to get a pure-bred cow and gradually build up some purebred stock.

Several teachers of the Roscommon county schools have taken up some practical work on plant disease, seed testing, etc. The County agent has already been called upon to talk to the eighth graders in Roscommon and has made tentative dates at some other places. A potato-grading demonstration is also talked about for the near future.

The Only "Election" in Which a Receipt Is Given for Every Vote.

That is the way the third Red Cross roll call has been described. Every person who joins the Red Cross during the roll call, Nov. 2nd to 11th, will be given a button and a window service flag. These indicate that that person has cast a vote of confidence in the American Red Cross.

The service flag is 7 1/2 by 11 1/2 inches and consists of a large red cross on a white background, with the figures "1920" in blue beneath the cross. Three blue stripes around the outer edge of the service flag indicate the three annual membership roll calls. The flag should be displayed when the first member of the household joins and should be kept on display throughout the year. Additional members of the household join additional service stars will be provided, to be placed in position on the flag.

Homes that do not display service flags will be solicited again during the last two days of the roll call.

## STATE OF MICHIGAN

The Circuit Court for the County of Crawford in Chancery  
Walter Winslow, Plaintiff.

vs.  
Edna Miles, Defendant.

Now, pending in the Circuit Court for Crawford County, In Chancery, on the 19th day of September, A. D., 1919 at the Village of Grayling in said county.

It satisfactorily appearing to the court by affidavit on file that a chancery summons has been duly issued out of and under the seal of said court, for the appearance of said defendant therein, and that the same could not be served on said defendant because that after diligent search and inquiry it could not be ascertained in what state or country the said defendant resides, or the whereabouts of said defendant, learned that said chancery summons has been returned by the sheriff of said county with his certificate thereon indorsed that after diligent search and inquiry he was unable to find the said defendant in the State of Michigan on or before the return day of said summons, on motion of Homer L. Fitch, attorney for said plaintiff, it is ordered, that the said defendant, Edna Miles, cause her appearance to be entered in this cause within three months after the date of this order, and in case of her appearance that she cause her answer to the plaintiff's bill of complaint to be filed, and a copy thereof served upon the plaintiff's attorney, within twenty days after service on her of a copy of said bill and notice of this order, and that in default thereof said bill be taken as confessed by said defendant.

And on like motion, it is further ordered that within twenty days after the date thereof, the plaintiff cause a notice of this order to be published in the Crawford Avalanche, a newspaper published, printed and circulating in said County of Crawford, and that such publication be continued at least once in each week, for six weeks in succession, or that he cause a copy of this order to be personally served upon said defendant, at least twenty days before the time above prescribed for her appearance.

And on like motion, it is further ordered, that the said plaintiff cause a copy of this order to be mailed to said defendant, at her last known post-office address, by registered mail, and a return receipt demanded, at least twenty days before the date herein prescribed for her appearance.

NELSON SHARPE,  
Circuit Judge.

## Give the world the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling, "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squares at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off!—Join the  
U. S. Navy
